

Scholarship Application

Our goal is that finances are never a reason for students to miss one of our events. We have set aside money for scholarships to realize this goal. We ask that you pay as much as is possible, understanding the value and importance of these events in the life of your child. As long as funds remain available, we will then cover the rest of the expense. There is no limit on the number of times scholarships can be requested during the year. We will do everything possible to enable your son or daughter to attend, however, the scholarship fund is limited and there will be times when we will not be able to grant every request.

Please fill out the form below and submit it with your event registration to the front office, or Caz Minter.
